**Appointment of Public Officers to Act/Attend to Duties in Posts of Public Service and Reemployment of Retired Officers on Contract Basis**

Public Service Commission has, taking note of the emphasis that has been placed on the need of controlling expenditure of public service in the National Budget Circular No. 03/2022 dated 26.04.2022 issued by the Secretary to the Ministry of Finance, ordered to inform you to pay more attention to the possibility of appointing officers to cover up duties in vacant posts instead of making appointments to act/attend to duties to such posts and not to submit applications for reemployment of retired public officers on contract basis until further notice.

02. Please take necessary accordingly.
